SPEAKER KRISTENSEN: The amendment is not successful. I raise the call. Items for the record?

CLERK: Mr. President, one new bill. (Read LB 1146 by title for the first time.) In addition to that, Mr. President, a series of amendments to be printed to LB 824 by Senators Chambers and Brashear. Senator Kremer would like to add his name to LB 1023; Senator Robak to LB 82; Senator Dierks, LB 964; Senator Synowiecki, LB 63. That's all that I have, Mr. President. (Legislative Journal pages 248-249.

SPEAKER KRISTENSEN: Thank you, Mr. Clerk. Before we proceed, I want to just give you a little explanation. We had some major technical changes, as you all know, to the voting system and the boards, and the delay up here is...we're still trying to get it all worked out to match. We really appreciate your patience. It's going to...there's going to be a few times during these votings when we try to switch from one screen to another board to different voting, and it just takes a little time and we're still working out the bugs. So I really appreciate your patience. And it's not that the Chair or the Clerk want to try to slow up the process or stop you from voting, we just want to make sure it's done right. So I appreciate that. Mr. Clerk.
